MEMORANDUM FOR: Recipients of U.S.S.R. -- Atlas of Soviet  
Territorial-Administrative Maps  
Volume II

In view of the limited number of copies of this atlas published and the high cost of the color reproductions, it is essential that maximum use be made of all available copies. It is, therefore, requested that you note the following:

1. If you find the atlas to be of little or no use to your unit, please return it to the CIA Map Library.
2. On the other hand, if you need additional copies, they may be ordered (through appropriate channels) from the CIA Map Library. Requests will be honored as long as the limited supply lasts.
3. Additional copies of any of the individual maps in the atlas are available at the CIA Map Library and may be obtained by calling Code 163, Extension 2596. The individual maps should be ordered by the identifying 4-digit number which appears in the lower left hand corner of each map sheet.
4. The atlas is considered unclassified and uncontrolled when detached from this memorandum.
